

Tim Frazier

Tim Frazier is the Senior Technical Advisor to the Assistant Secretary of the Office of Nuclear Energy. Prior to that, Tim was the Associate Deputy Assistant Secretary in the Office of Fuel Cycle Management under which the Global Nuclear Energy Partnership is managed. Tim has over 17 years of experience with the Department of Energy managing nuclear programs and operations and both in the field and from Headquarters. Previously Tim managed the assembly, testing, and delivery of nuclear power systems for both space and national security.
